

# Exclusive Rights

You can't actually "own" the instrumental. When you purchase the "*exclusive rights*" of a track we (**Red Pharaoh 360** in conjunction with **War Bonnet Entertainment Group, LLC**) sell, you get full permission from us to profit from it on a commercial scale (sites like Amzon, CD Baby, iTunes and more).

Exclusive prices vary per beats and producer. We provide prices by request. We are currently working on a new exclusive site.

When you buy exclusive rights, the beat is also removed from all sites and never again sold to anyone after that (unless prior non-exclusive leasing agreement were purchased at which point the prior leasing terms will be allowed to function under its terms).

You will receive an MP3 file of the beat (or song), tagged (free of sound marks) or a copy of the .wav file. The song file can be delivered digitally through email. Exclusive rights grant you **unlimited commercial recordings and broadcasts**. You have full rights to record, mix the beat/ song in any shape, way or form (except reselling the beat unless given permission to do so by Red Pharaoh 360/ War Bonnet Entertainment Group, LLC in the form of a certified notification. You will receive a contract by email or fax granting you exclusive rights to the beat. Red Pharaoh 360/ War Bonnet Entertainment Group, LLC may no longer lease or sell the beat/ song, except for prior leasing holders and his/ her own promotional page (no downloads there). Red Pharaoh 360/ War Bonnet Entertainment Group, LLC will receive 50% publishing royalty (if beat contains no samples) and 3% producer royalty from the sale of records, streams and downloads. You must give full credit to Red Pharaoh 360/ War Bonnet Entertainment Group, LLC on all commercial and non-commercial recordings. Red Pharaoh 360/ War Bonnet Entertainment Group, LLC regardless of exclusive rights and leasing rights still own the masters to ALL beats. Presented contracts will be explained further once beat is purchased. You also agree that you must record and distribute the beat/ song within 2 years of the day of exclusive rights purchase. NOTE: Though most transactions are handled through PayPal; if you are not from the USA, different means of payment may be required depending on currency transaction compatibilities.
